DR. WARREN L. EVENSON, Principal  
from the first, a capable leader and administrator

At the opening of school last fall I became deeply impressed with the manner with which students, teachers and others worked together with unity of purpose. The initial impression has developed throughout the year to a deep respect for the SENATORS. It has been deeply gratifying indeed to find that it is Senator-like to be sensitive to the challenge inherent in a difficult task.

While space does not permit recognition of all individual and group achievements, may I cite the Capitoline staff and advisor as an example of a group accepting the challenge and learning the rewards of a difficult task well done

This year's edition of the football squad was an experienced group, surprising many people in this city when it turned in a resounding 32-7 victory over highly rated Griffin. The next week it continued to roll towards the City Championship by defeating the Feitshans Flyers with a score of 18-12. The Senators then travelled to Lincoln where they were edged out by a score of 7-6. The Solons came home to face Lanphier and sew up undisputed possession of the City Championship, defeating them 27-12. The team next went to Danville where they suffered their second Big Twelve defeat by a score of 7-6. Then Springfield played Urbana in a well fought defensive game only to lose in the last few minutes 13-6. Homecoming weekend was highlighted by the defeat of MacArthur of Decatur by a score of 20-13. In the remaining two games of the season the Solons lost to Bloomington 20-14 and tied Decatur 6-6. Although coming in last in the Big Twelve standings the Solons were only two touchdowns and two extra points away from the Championship.

While compiling a fine 4-4-1 record the defensive unit only allowed 97 points, while the offensive unit managed to rack up 135 points. This seems to indicate that both units were above average in both their scoring power in one case and their defensive ability on the other.

Head coach Willard Duey, assisted by Mr. Sowinski and Mr. Hilligoss, indeed made this year's team a fine one in every respect: in character, ability, desire, and the competitive spirit that kept the game going until the final gun.

## 1960 BASKETBALL TEAM

Faced with the task of defending the State Basketball Crown, the 1960 edition of the Senators maintained the outstanding record of 27 wins and 5 defeats and extended to two years its streak of being undefeated in city competition. Honors also included the second place trophy in the East St. Louis Invitational and participation for the fourth consecutive year in the Sweet Sixteen.

Seniors Captain Lynn Neff, Jim Wieties, and Lee Pelham along with juniors Tom Frick and Bob Plohr were the returning lettermen from last year's championship team. George Simmons and Dick Hinkle made the team even more competitive towards the end of the season. Transfer student "Hap" Stashwick along with Ed Markert and Bill Cornman rounded out this year's tourney squad.

Again this year, defense was the strong point of the team which compiled one of the top defensive averages in the state, yielding only 45.8 points per game while piling up a 58.3 offensive average. Probably the two biggest thrills this year came when the Senators defeated an excellent Decatur team 53-49 on the home court, avenging an earlier defeat on their court 45-39, and when the squad defeated a top-notch Feitshans team in the championship game of the Regional tourney by a surprising score of 60-43.

After attaining the Regional crown the Solons traveled to Jacksonville, there defeating New Berlin and Forman by the respective scores of 57-42 and 53-47 in overtime to reach the Sweet Sixteen for the sixteenth time in the school's history.

With the support of the student body exemplified by Springfield High's gaining permanent possession of the city sportsmanship trophy together with the untiring, devoted assistance of Mr. Plain and Mr. Sowinski, Head Coach Ray Page can truly be proud of his mentorship at Springfield High School.

## BASEBALL

Nine returning lettermen, plus talented first year men, have made the Springfield High School nine a formidable foe of the area schools. The Solons are not fighting for the city crown, needing a victory over Feitshans to cap the title. Big wins this year have come over Danville, MacArthur of Decatur, and twin victories over Quincy. Dave Sponsler, in his first year as head coach, is looking forward to victories in tournament play.

## A.F.S. IN GERMANY

CHERRY GEORGE  
Springfield High's A.F.S. representative

"Walk together, talk together O ye peoples of the earth: then and only then will ye have peace." This last summer, I realized the true meaning of this, the American Field Service Motto. Under the auspices of this student exchange program at SHS, I spent two wonderful months with a family in Germany. There, I learned not only of the differing customs of my "second home," but also of the progress A.F.S. is making towards world peace and understanding. SHS can well be proud of the part they have in this program.

CHERRY GEORGE
